Students' feedback is an effective tool for measuring and assessing the development of the institution. We collect feedback from students, parents, and alumni on a regular basis. The feedback is taken on teaching-learning process, teachers' quality, infrastructure facilities, student-support systems, and syllabi etc. as follows:-

a. Teacher :As the faculty are vital stakeholders, feedback of faculty on curricular aspects become very important. The college follows the syllabus prescribed by the affiliating University in its curriculum. Feedback on curriculum is taken by the Principal by the end of session.

b. Students: We take feedback from students. The feedback about teaching-learning process and teachers' quality. This feedback is taken through a specially designed questionnaire and the students are identified as sample respondents covering each and every class of each and every academic programme.

c. Alumni: The College doesn't have registered Alumni Association. However the Alumni Association conducts its programmes for which the college provides infrastructure. In addition, the college has also started compiling data of all those alumni who are in touch with the college independent of the registered Alumni Association. Further, an appeal also has been made to alumni to submit their feedback on their alma mater through a specially designed questionnaire which has been made available on the college website. Feedback is sought on alumni's willingness to associate/ readiness to engage with college's development plans.
