Brief History

Renuka College was established in 2001 by late Founder President of Renuka Shikshan Prasarak Mandal, Nagpur –Shri Eknath Gedam, who was a great academician and administrator of par excellence. He was guided with the motto of "Atta Deep Bhava" to get enlightened. Therefore he started the college in a rented building with limited means and resources to educate and enlighten the students of deprived and vulnerable class of the society. The college was initially started as Arts College only and later on Junior college in Arts and Commerce was also commenced in 2007-08. Then varied courses in Commerce and Management were introduced like B.C.C.A, B.B.A, B.C.A, M.C.M, and P.G.D.C.C.A in 2008-09. Mean-while he bought a piece of land at Besa to provide education to the large masses. The college shifted to its newly constructed building. In a short span of time, the college made progress by leaps and bounds academically and institutionally. The college got its permanent affiliation from the Rashtrasant Tukadoji Maharaj Nagpur University and 2 (f) status from the UGC in 2011 followed by 12 (B) status in the year 2013. In 2012-13 the college granted the permission to start B.Com courses in English, Marathi and Hindi Medium. Now the college has near about 600 hundred students who are first generation learners. The college strives to cater to the needs of the students who hail from financially weak and educationally underprivileged families. The college strives to fulfil its motto to get the students enlightened by imparting best education with modern tools and technology. The college endeavours its best to provide holistic education to the students to make them disciplined, social, moral and responsible citizen of the country so that they can contribute their part in the progress and prosperity of the nation. The untimely demise of the founder President-Shri Eknath Gedam on 16th June 2014 was a severe

Blow on the institution. But under the president ship of the young and dynamic Shri Himanshu Gedam, the dedicated and devoted teaching and non-teaching staff of the college are toiling tirelessly to realize the vision of the founder President.

The college set up an Internal Quality Assurance Cell (IQAC) in 2015 for quality sustenance and enhancement and went for NAAC in 2016 and on Jan 2017, the NAAC peer team visited the college and accredited with B grade.
