2. Table indicating Decentralization in the Institutional Governance

***6.1.1 The governance and leadership is in accordance with vision and mission of the institution and it is visible in various institutional practices such as decentralization and participation in the institutional governance***

**Vision of the College**

Our sole vision is to nurture, nourish & chisel the students specially to make them self – reliant, self-sufficient and knowledgeable citizens to contribute to the all-round progress of the society.

**Mission of the College**

To develop the institution into a reputed brand name for excellence in academics and empower the student with higher learning and research capabilities through dynamic and value based education for global competency and strength of character.

**Aims & objectives:**

- To impart updated and socially relevant knowledge disciplines in Arts and Commerce studies.
- To strive for total development of the personality and character of students, enlisting active co-operation of the parents, guardians and responsible citizens in society.
- To inculcate among the students a sense of discipline, social responsibility and awareness for national unity.
- To provide all possible facilities for the moral development of the students. As has been rightly said by Plato “Mould conditions aright and men will grow good to fit into them.”
- To endeavour to create an atmosphere in the college free from any such extraneous pressures that hamper the quiet and peaceful pursuit of learning and research.
