**E-governance Policy 2018-2023**

**Aims and Objectives**

1. To employ e-governance in the functioning of the institution
2. To streamline the working of the institutions through digitization
3. To robust transparency and accountability
4. To minimize the use of paper so as to support environment.
5. To store data in a safe and secured way
6. To retrieve data as and when required
7. To make the work hassle free

**Policy**

1. With the view to bring efficiency in the various areas of digitisation, it has been decided to begin e-governance in major areas of the Institution such as -Administration, Finance and Accounts, Students Admission and Support and Examination.
2. Institution initiates e-governance to synchronize the work of the institution for efficacy.

Governing Body reserves the whole rights to add, upgrade and procure any service or software for strengthening the e-governance

**Administration:**

The Institution employs the Management Information System procured from Kapson Software and Technology which provides the facilities of making online entry and the data is processed and preserved in the system and can be accessible from anywhere from round the clock.

**Finance and Accounts:**

The Finance and Accounts of the Institution are maintained through the software which renders the facilities of providing daily collection, fee collection report, outstanding fees of the students as well as the office accounts are also maintained.

**Students Admission and Support:**

The admission process of the students are done through the software in which the students can make their registration, and the information of the students can be fed online and it is processed and maintained through the software.

**Examination:**

The filling of examination forms, revaluation forms, getting hall tickets, question papers of the university, uploading of the marks are done on the online portal of the parent university-RTM, Nagpur University.
