To,
Dr. Abhay Rajgire,
Yes Group's New Life Hospital,
Dighori, Nagpur.

Sub: Request for our collaboration with your Hospital for providing free reading material service

Dear Sir,
Ours is a well-known institute of higher learning situated in Besa, Nagpur. Under our Renuka Public Library programme we have a good number of books, journals and magazines in our library and our constant effort is to put these books in optimum use. Under our **ISR (Institutional Social Responsibility)** initiative we wish to offer reading facility to the patients and their relatives of your hospital free of charge.

Since your hospital is well-known for its prompt and good medical services, patients come in good numbers from neighbouring areas and villages. It will be our humble effort to provide them with good books in Marathi and English for reading without charging any fee for it.

For this public-friendly initiative we would like to enter into a contract in the form of MOU with your esteemed hospital. I hope you will join hands with us in this welfare initiative for benefit of the patients and their relatives.

Expecting your positive co-operation.

Yours sincerely,

Principal
