The third plenary session was held on 13th July 2021. The introductory remarks were made by Dr. Usha Sakure - Principal Manoharrao Kamdi, Mahavidyalaya, Nagpur who stressed on making changes in the Education system in order to mould India as the equitable and vibrant hub for knowledge competing with global universities. The resource person of the session was Dr. Shirish Chindhade - Former Principal & Member of Board of Trustees, AICP, Pune delivered the talk on Quality Parameters of International Ranking of Universities. He labeled education as the sunrise industry and emphasized that it needed to be changed with the requirements of the corporate industries. He underscored to make the Indian education system globally competent to open the large avenues of employability for the young learners. He guided that the research was bound to be transformed from lab to land and paper to people. He outlined that NEP focused on access, equity and quality and liberating the Indian education system from the clutch of westernization and making it indigenous. The enlightening discourse spurred the Question and answer session. The proceedings of the evening were made by Dr. Humera Querishi - Asst. Prof. Annasaheb Gundewar College, Nagpur.

The introductory remarks by Dr. Dhanraj Shette Sir - Yashoda Girls' Arts and Commerce College, Nagpur marked the beginning of the fourth Plenary session held on 14th July 2021. He pointed out that QIP focused on various aspects, changes, challenges and recommendations in the NEP. Dr. Vinayak Shirgurkar - the popular speaker, was the resource person of the evening. The former President and Chairman of Board of Trustees, AICP, Goa spoke on Global Practices in Liberal Arts Education. He began his talk by explaining that the NEP aimed to establish multidisciplinary universities for imparting interdisciplinary courses with the view to serve the requirements of a large number of students. He informed that the section 11.1 of the NEP stated that all branches of creative human endeavours including mathematics, science, vocational subjects, and professional subjects should be considered Arts distinctively of Indian origin. He made the distinction between the present education system and the multidisciplinary education and cleared that the former is general and the latter is integrating and synthesizing.

He further threw light on the subtle distinction between-Intra-disciplinary, Cross – Disciplinary, Trans-Disciplinary and Multi- Disciplinary approaches of studies. He cited the example of the interdisciplinary courses being run in different universities in Indian and foreign universities in liberal Arts. The crux of his talk was that Liberal Arts in Education needs to be promoted .His discourse paved the way for discussion and deliberation. The rapporteur of the session was Dr.Meenakshi Wasnik - Asst.Prof. Manoharrao Kamdi, Mahavidyalaya, Nagpur.

The fifth plenary session of the QIP was held on 15th July 2021.Dr.Jyoti Patil -Principal Renuka College, Besa, Nagpur made the introductory remarks by giving a cue the old traditional Education System was completely altered by the British and the NEP is a long awaited document. It is comprehensive, global and directed towards local reforms. The eminent resource person of the session was Dr.Pankaj -Secretary General, AIU, Delhi who enlightened the digital participants on ABC: Giving Wings to the Students underscored that the NEP is students centric and multidisciplinary in its approach and application .She lucidly explained –Academic Bank of Credit where the students could earn their credits and withdraw their credits by taking the degrees. Academic Bank of Credit allowed learners to enter and exit at multiple levels and their credit would be secured. She detailed the concept of cloud universities, Credit based system and flip classroom. She concluded her talk on the note the ultimate motto of NEP2020 is to make the students the lifelong learners .It led to interactive question and answer session .The session was compered by Dr. Renuka Roy- Associate Prof-Porwal College Kamptee.

On the eve of 16th July 2021, the sixth plenary session was conducted; the introductory address was made by Dr. Usha Sakure -Principal, Manoharrao Kamdi Mahavidyalaya, Nagpur who highlighted that to bring change in the attitude of the students was vital and that could be attained only through mentoring system that was well defined in the NEP 2020 .She also pointed out to empower teaching fraternity, bringing more transparency and accountability various plans and proposals were chalked out in the NEP. The distinguished resource person of the evening was Dr. Sunita Wadikar , Former Principal & Educational Consultant, Mumbai delivered her talk on “ From Teaching to Mentoring: Implementing NEP 2020 stressed on quality that should be aligned to smart teaching learning synchronized with Industrial

revolution 4.0. She stressed that the present learners were digital natives and the teachers were digital immigrants and the teachers must become techno savvy to cope with the digital natives

.She highlighted the that the drastic changed the occurred in Education process was teaching learning to learners learning and the role of the teachers were of facilitators to stimulate active learning. She outlined the effective pedagogy keeping in mind the revised Bloom's Taxonomy

.She emphasized that the teachers need to use various digital tools for engaging and effective learning. She focused on the activity designed by the teachers needs to be outcome based .She explained the NEP 2020 marked the components of life skills that need to be imbibed in the young learners to make them globally competent students .The epicenter of the whole exercise lay on teachers so they should not be involved in administrative and clerical work. It was followed by interactive session of question and answer. Dr. Deepti Jain Thakre - Asst. Prof., Anjuman College, Nagpur was the master of ceremonies of the evening.

The 7th Plenary session was held on 17th July 2021, the opening remarks were made by Dr. Shraddha Anilkumar - Principal, Dayanand Arya Kanya Mahavidyalaya Jaripatka, Nagpur who highlighted that the NEP 2020 encouraged multidisciplinary studies that aimed at transforming teaching learning process from teacher-centric to student-centric, information to knowledge, learning centric to research centric and from choice based to competency based.

.The erudite resource person of the session was Dr. Mrunalini Fadnavis, VC, Punyashlok Ahilyadevi Holkar University, Solapur (MS) who spoke on Multi-disciplinary Approach in Higher Education in NEP 2020 traced the ancient system of Indian education where the different subjects were taught under one roof in a single programme. The NEP 2020 revived the traditional India Education system and stressed on excellence and equity, choice of the courses, vocational and skills training. She touched upon MERU in NEP 2020 to augment the standard of higher education institutions like IITs and IIMs. She underscored that NEP wanted to imbibe problem solving skills, critical thinking, time management, communication and writing, analysis and research methodologies and team spirit in the 4.0 generation learners. She concluded her discourse by pointing that Multidisciplinary approach dismantled the compartmentalization of disciplines and converged various disciplines for making the students globally competent and

About Nagpur

Nagpur is strategically the Second Capital of Maharashtra being centrally located and easily accessible from anywhere in India. The ZERO mile, the geographical centre of India is located here apart from the Reserve Bank of India which has all its stronghold gold treasures secured in Nagpur. Nagpur is the Winter Capital and the third largest city of Maharashtra after Mumbai and Pune and is gearing up with Metro-rail as the top SMART CITY in Vidarbha Region. Commonly known as ORANGE CITY for its world famous sweet oranges and related products; popularity known as TIGER CITY having many tiger reserve National Parks like Tadoba, Pench, Bor, Karhaadia, and Navegaon; and treated as GREEN CITY for its lush green cover of Seminary Hills, Telangkhedi, Ambaghari and Gorewada National Park, Nagpur is also a proud place of Diamond Railway Crossing, Anthropological Museum, Small Gauge Railway Museum, Central Museum, Ramran Science Centre and planetarium, Sitabdi Fort, Tekdi ka Ganpati (Ganesh Temple) regularly visited by Bollywood and cricket stars like Hema Malini and Sachin Tendulkar, Deekha-shoomi, the largest Buddhist stupa in the world where Dr Babasaheb Ambedkar converted into Buddhism with lots of devotees and Head Quarter of Rashtriya Swayamsevak Sangh (RSS) the hot centre of national activities. Nagpur has also earned a unique reputation of being a seat of International Medical Tourism for its cheapest super-specialty medical services world-wide. Nagpur offers all cuisine for national and overseas foodies. Details on websites are available (www.tojungles.com) for bookings for site seeing.

Greetings from all the collaborating colleges!

It gives us immense pleasure to inform you that we are organizing a Quality Development Programme (QDP) on 'National Education Policy 2020: India's Education 4.0 for Futuristic Growth', for all the stakeholders of higher education in India from Sunday, 18th July 2021 to Sunday 18th July 2021 between 5.00 and 7.00 PM as a collaborative venture of five reputed colleges of Nagpur City, Renuka College, Besa, Nagpur, Yashoda Arts & Commerce College, Sneh Nagar, Nagpur, Manoharao Kumbhar Mahavidyalaya, Dayanand Arya Kanya Mahavidyalaya, Nagpur, and Women's Arts & Commerce College, Nandanvan, Nagpur.

Concept Note:

The NEP 2020 is ambitious, robust and futuristic but much of its success will depend on how it is executed from school education to higher education including its life-centric approach. In the higher education system, the policy adopts an integrated yet flexible approach to education at the undergraduate level emphasizing the need for liberal education for preparing students to navigate their way into the future with a variety of employment scenarios as well as many other roles they will play in their professions. At post graduate level, the policy envisages to have strong research component to strengthen the appropriate professional competence in the domain area, and to prepare students to contribute concretely in the development of the nation. Further, the policy stresses on the importance of having a multi-disciplinary environment at higher education institutions. There is a need to create awareness about NEP amongst teachers, students, officials, and other stakeholders in the higher education system so that we can together help India in becoming a knowledge superpower.

Therefore this QDP is being organized with a view to focus on its various aspects, changes, and recommendations with the challenges of its implementation. This QDP is intended to include the roles of various stakeholders in general and teachers in particular for the attainment of the objectives of the new education policy in all the areas of education. All the areas as higher education and quality improvement, higher education and research related activities, higher education and teachers' training and promotion, higher education and teaching-learning pedagogy, higher education and use of cutting edge technology will be covered with an aim to enhance and improve the qualitative aspects of all the areas into consideration. A half-an-hour question answer session after each session will be an added platform to interact and enhance the understanding of the participants on various issues pertaining to higher education.

Objectives of the QDP:

- 1) To understand the nuances of NEP 2020 in the present perspective.
- 2) To establish a robust quality circles to achieve the status of India Education 4.0.
- 3) To get acquainted with the intricacies of NEP 2020 with a view to addressing the gaps in implementation.
- 4) To establish a common corridor of achieving quality initiatives and sustainable goals to pave way for NEP 2020 recommendations.
- 5) To explore the innovative ideas in Higher education towards making India a superpower in the next 20 years.

Outcome of the QDP:

- 1) To inculcate the spirit of continuous improvement (KAIZEN) among all the stakeholders of higher education.
- 2) To develop participants' understanding of the issues related to NEP 2020 recommendations and challenges of implementation of the policy.
- 3) To stimulate the stakeholders to work selflessly towards achieving the goals of NEP 2020.
- 4) To understand the intricacies of the challenges to address the gaps and to overcome them positively.

Screenshot of the Webinar of the resource persons while delivering the talk

The top screenshot shows a YouTube live stream of a Zoom session. The speaker is identified as Shrinivasa Varakhedi. The video title is "8th Plenary and Valedictory session of National Level 8 Day Quality Improvement Program (QIP) 11-18". The chat shows several messages of appreciation.

The bottom screenshot shows a slide with the following bullet points:

- Quality ECCE for all children between 3-6 years
- ECCE under the purview of the Ministry of Education
- Every student in Grade 5 and beyond must achieve foundational literacy and numeracy
- Three-month school preparation module for all Grade 1 students
- 100% Gross Enrolment Ratio for all school education by 2030
- Right to Education Act extended from 3 to 18 years

The video title and view count (126 views) are the same as in the top screenshot.
