

# **INSTITUTIONAL DISTINCTIVENESS**

## **Personality Development Programmes**

- The institute organizes Personality Development workshops and seminars to enhance the confidence level and communication skills of the students. It also helps them in developing the right attitude and aptitude.

## **Entrepreneurship Awareness Programmes**

- The institute organizes Entrepreneurship Awareness Programmes to create awareness among the students about the various opportunities and challenges in the field of entrepreneurship. The programmes are conducted by experienced faculties from various industries and also by successful entrepreneurs.

## **Free Coaching for Competitive Classes**

- The institute has made the initiative of conducting free competitive classes for MPSC, SSC and IBPS for the students of our college and the colleges of the vicinity on every Saturday. They are provided study materials and book bank facilities, computer and net connectivity facility from the library. They are also provided the guidance of filling the form for various competitive exam and also helped to fill the form from college.

## **Public Library**

- Our institute has made our college library as Public library .The readers of the vicinity are allowed to use the space and materials as there is no public library in the vicinity so we have started the facility for general public for reading. We provide free access to digital resources, such as electronic books, databases, and streaming media.

## **Providing Free Magazines Facility in the Hospitals of the Vicinity**

- The college has initiated the practice of providing free magazines in hospitals which is a great way of providing comfort and solace to patients and their families who are visiting the hospital. It is also a great way of keeping patients and their families engaged while they wait for their treatment.

## **Women Empowerment**

- The institute organizes various programmes for the safety and security of the girls. The eminent personalities are invited for conducting workshops on health and hygiene of the girls, defense programmes, nutrition programmes and gender equity. One of our best practices is *Udaan* –Emancipating the girls, they are empowered by various programmes organized by the institutes.
- The institute also provides counseling and guidance to the girls for their career and professional development. It organizes various activities like debate competitions, essay writing competitions, leadership training, etc. to boost the confidence and self-esteem of the girls.
- The institute has published its annual magazine *Shabdankur* on the theme of women in 2016-17 in which both the boys and girls of the college contributed .It has worked to realize the girls that they are important pillars of the society. The boys have been made realize to pay respect to the other gender as they are equal.

- Women Cell is set up in the college to resolve the problems of the girls. The Women Cell also organizes Guest Lectures for the girls' students to create awareness among them about Personal Hygiene, Gender Sensitization and Domestic Violence.
- Gender sensitization programme is conducted by Women Cell in order to create awareness among girls about ladies safety, health care, personal hygiene, physical fitness and domestic violence.
- The college is a co-ed institution. It makes every possible effort to provide equal opportunities to both boys and girls. The college has instituted Women Cell to redress the grievances of the students
- 

### **Field Survey:**

The institute has carried three surveys in around the village in which the students are involved .They have carried on the following topics

- 1) Health & Hygiene Survey at Besa Village 2017-18
- 2) Social & Economic Survey at Besa Village 2017-18
- 3) Benefits of Banking of Financial Inclusion to Nagpur Rural Consumers : An Analytical Study 2017-18

The students are taught various aspects of survey and moreover the students are get acquainted with the issues and problems of the masses. As in the surveys, the students get the opportunities to interact with the people. The have been made to understand that how transform knowledge from paper to people.

### **Community engagement:**

- The NSS Department of the college conducts various activities namely Anti -Superstition Awareness and Road Safety Programme to eradicate evil practice of superstition from the society. The road safety awareness is the urgent need of the present scenario as most the people fall victim to fatal accidents.
- Cleanliness Drive, Tree Plantation Drive and Save Girl Child rallies are organized to create awareness about environment among the mass.
- Gender Sensitization Awareness programme is conducted to disseminate the rights to the women.
- Health Checkup Camp, Blood Donation Camp and Visit to Old –age Home are organized
- Rally and skit are organised to create awareness among the masses about environment and to encourage them about tree plantation and greenery.
- Geography Department conducts the programme of Ozone Day and Geography Day in which the PPT is shown to the students to inform the causes of the depletion of the ozone layer and measure to be taken to protect it.
- Helping the students and their family members to make their voter cards the students are assisted to open their bank account.
- The students, their family members and the dwellers of Besa are extended help to get voter cards linked with Aadhar Number.

- Senior Citizens Wing of Besa regularly conducts the programme in the college premises. The college renders all the facilities needed to them for their successful conduction of the programme.

### **Study from Home**

- The institution has tried to make its distinct identity by providing the study materials to the students on the college website .It is found that apart from regular teaching in the classes the students need study materials in order to supplement their learning that is why the institution has decided to help the students in every possible way by providing the study materials to the students which are our easy to grasp, written in a lucid language ,explained in a simple manner at the tip of the fingers of the students. The resource materials of each subject are prepared by the respective teacher and are uploaded on the college website in the tab study from home and it is communicated to the students. The students get easy access to the quality study materials from anywhere round the clock on the click. They can download as well as get printed the study materials from the college website.
