The library in Renuka College is modern, well equipped and well organized. Library started functioning 2009. A library has many sources of knowledge. The important function of the library is to store the information, to cultivate it technically and to make the information available to the reader at the right time by saving his time. The first duty of the library is to provide the stored information to the reader in a systematic manner.

The library is always ready for the educational as well as employment related development of the users. Special schemes are also implemented for this purpose. Like the book bank scheme, new books are displayed in the library. Students' self-composed poems, stories, charolis, jokes and quality articles are placed on the display box. Essay Competition, Best Reader Competition, Reading Inspiration Day, Student Day, Book Review Competition, Book Exhibition, Book Catalog Exhibition etc. Activities conducted by the library are organized.

ILMS :

Renuka College uses an automated system of Library Automation Software (Web Application) (Cloud Based Lib-Auto 10.0): through Kapson Software & Technologies Company (In Process)

Features of Library Automation Software (Web Application):

There are Acquisition & Cataloguing Circulation, OPAC, MIS Analysis & Reports, Accession Series Entry, Subject Entry, Book Title Entry, Issue/Return Master Entry, Newspaper Master Entry, Accessioning Register, Stock Verification, Issue-Return Transaction Report, Newspapers Report, Journal Report etc.

OPAC :

OPAC is digital catalogue offers powerful on-line search entering keywords such as the name of the book, its title, author's name, etc. through library catalogue. It saves precious time, work and money to access any reading resources.

OPAC Mean Online Public Access Catalogue. The Library is automated with online OPAC. Student can see total books of library. They can search subject wise and author wise list through OPAC. The OPAC shows particular book records if the book will issue or available.

BARCODE :

Library has Barcode system namely-Library automation system software. It's useful for book Issue-Return and Stock Verification. Library has purchased Barcode device namely 2D Quick Scan WL5 Wireless CMOS Imaging Barcode Reader This device has helped a lot in the work of library books issue returns. When a student requisitions a book, the accession number in the book is clicked through the barcode device while issuing the book then the clicked number is displayed in the software. And Then the book is issued and returned. In such a way, this process is done through a barcode device.

LIBRARY INFRASTRUCTURE:

There are five computers available in the library which are connected with LAN. There are two computers with net connectivity which are readily available for students and faculty members. There are a printer and a reprographic machine for providing the facility of printing and Xerox.

N-LIST:

The College library has subscribed N-List Programme with access to 6000+ journals and 1, 99,500 e-books through N-LIST which the students, research scholars and teacher can access.N-LIST project helps for research activity and Reference Sources.

DELNET:

DELNET-Developing Library Network, New Delhi is a major resource sharing library Network in India. The main objectives of DELNET is to promote resource sharing among the Member-Libraries by collecting, storing and disseminating information and by offering networked library services to users; to undertake research in the area of information science and technology, offer technical guidance to Member-Libraries; coordinate efforts for suitable collection development; facilitate and promote Inter Library Loan and delivery of documents, etc.

The library has the remote access of DELNET (Developing Library Network) which has been provided to the institute by the collaborative college form Goa- Shri Gopal Ganorkar Memorial College, Goa-Multifaculty College, Dharbhandor, Goa for the access of journals, books, and e-resources.

The library has also got the remote login membership of Kavikulaguru Kalidas Sanskrit University, Ramtek for the access of e-resources which include a large number of Books and Journals. Faculty members, students and researchers can access these Books and Journals through username and password which can be obtained from the library of Renuka College.

Vision –

Library becomes a source of knowledge for it's users to enrich educational achievements.

It provides traditional and innovative library services to the right user at the right time and also focus on the collecting, preserving and distributing the knowledge for teaching, learning and research.

To encourage the researchers for pursuing their research towards the need of society.

Mission –

To become best facilitated library.

To enrich the library resources (Print and electronic) to work efficiently as knowledge resource centre.

Responsive support service to its users.

In self-services environment help to users for reaching their needs.
